Dear Mr Daniels,

PREMIUM BANANA

I am writing to say what a pleasure it was for me to work with Premium Banana. All the members of the band were so professional and exceptionally talented.

Clearly, all of the guests had a marvellous evening - I have never seen a dancefloor fill quite so quickly!

I will not hesitate to recommend the band to our clients, especially now that I know that you do a fabulous rendition of "Can't take my eyes off of you" which is always popular at weddings.

Kindest regards
